Albion has become a premier destination for children and families from the local area and beyond—a hub for accelerated education, community spirit, and excellence. Albion provides an enhanced and challenging curriculum in creative arts, foreign languages, math, science, history, geography, RE, DT, PE and computing. At Albion we aim high and provide opportunities for our children and staff that may not necessarily occur in other primary schools: for instance, 8 children from Year 5 travelled to Hangzhou, China, to experience the culture and life in a Chinese school.

It is an exciting time to be at Albion with our state-of-the-art new building. The atmosphere is bright, stimulating, airy and spacious giving a perfect learning and teaching space for all. As well as there being 17 classrooms, there is a large hall, dance studio, counselling room, 6 group rooms, a forest school and garden area which houses our 8 chickens, a playground, a Multi Use Games Area (MUGA) and to top it off a beautiful rooftop playground/outdoor learning space.

We value creativity. Our children are currently taught art in small groups by our own art teacher, dance by DDMIX (Diverse Dance Mix - a Darcey Bussell dance company), steel pans, African drumming, singing and music with our Southwark Music Hub teacher.
