

*Dear Colleague*

*We have joined The SEAL Community, an organisation that serves as a hub for all things related to SEAL. All interested Southwark schools and LA staff can now have full access to the SEAL Community website, download member resources, receive the regular newsletter, join SEAL interest groups and post on the forums. You can download*

- *All the government SEAL resources (primary and secondary)*
- *A wealth of additional resources for each SEAL theme – assemblies, PowerPoint presentations, posters, links to DVD clips (under ‘Member Resources’)*
- *Training presentations and research reports.*

*We hope that this will be a useful resource for you.*

*To access member benefits you need to register and create your own user name and password. You need to do this even if someone else in your school is already registered.*
